

Chocolate Fountain

**Making your event just a
little sweeter....**

CHOCOLATE FOUNTAIN

Chocolate Fountains are the most sought after item at weddings, parties, and other catered events. Imagine a chocolate fountain, where rich Belgian chocolate is melted from below, then carried to the top...where a flowing curtain of delicious warm chocolate cascades down the fountain tiers like a *chocolate fountain* or waterfall, allowing guests to dip a variety of fruits and desserts, creating delicious chocolate covered delicacies.

Amaze your guests with a lavish dessert experience when they create their own chocolate covered delicacies.
